Haliburton Man Celebrates 93rd Birthday

Our sincerest congratulations to Haliburton's grand old man in the person of Mr. William Gregory who on Tuesday of this week celebrated his 93rd birthday. Mr. Gregory is still in good health and walks along at a pace that would put many a younger man to shame.

A party was held on Saturday in honor of this event with visitors from Welland, Toronto, Bobcaygeon and West Guilford joining with Haliburton friends to celebrate the occasion.

The following were present to pay their respects: Mr. and Mrs. Wesley McDonald, Mr. George MacDonald, Mr. and Mrs. Otto Miller, Mr. and Mrs. Walter Vlasic, Mr. and Mrs. Jas. Johnston and family, Mr. Harold Barjarow, Mrs Jack Barjarow, Mrs. Blanche Barjarow, Mr. Lorne Barry, Mrs. Maurice Cook, Mrs. Ira Gregory, Mr. Ray Logan, Mr. and Mrs. Bill Speirs, Mr. Alf Alcorn, Mr. Howard Roberts, Mr Bill McKnight, Mr. W. R. Curry, Mr. Norm Roberts, Mrs. Harry Bishop, Mr. Ross Curry.

HALIBURTON ROUNDUP

The Friendship Guild of St George's Anglican Church held a most successful euchre party in the Orange Hall on Friday evening last with some sixty persons in attendance.

Prize winners on this occasion were ladies high score Mrs. Jas. Dean; ladies consolation, Mrs. George Morrison; men's high score, Mr. Arnold Roberts; men's consolation, Mr. W. B. Austin. A dainty lunch served by the members of the Guild climaxed a most enjoyable evening.

An old and respected resident of this locality passed away on Friday morning in the person of Mrs. Henrietta Robinson. The funeral was held from the home of her brother, Mr. Barney Howe of Donald, on Monday afternoon.

The members of the Orange Order may well be proud of the splendid new hall that they have recently built. This building has a lodge room that any organization might well be proud of. The basement is fast becoming the most popular place in this community for parties and banquets as it is warm, dry and equipped with an up to date kitchen.

Our old friend Jack Rule was in town over the week end and tells us that when coming from Toronto on the bus a deer collided with said vehicle but with only minor damage to animal or bus. Jack also informs us that the new development planned for Haliburton Lake is the cause of a lot of discussion around Toronto.

After being without any amount of snow at anytime this season we seem to be making up for lost time and it looks as if we are going to have our share of winter after all.

We are sorry to report that Mrs. Marion Green who has not been in the best of health is at time of writing in St. Michael's Hospital in Toronto. We trust that she may be restored to a better measure of health.

* * *

We have just learned that the Haliburton Parish of the Anglican Church which is comprised of the churches of Haliburton, West Guilford and Maple Lake have raised the sum of $138.30 for victimes of the serious floods which have beset England and the low countries of Europe.

February 28th is the deadline set for the purchase of licenses and permits for the coming year. Don't be caught in the last minute rush.

* * *

We note that Mr. E. E. Deterling, popular bus driver from Wilberforce and Haliburton is in a jovial mood these days. Well we have just learned the reason, on Monday morning laast he became the proud father of a 10½ pound baby boy. Mother and baby are both doing well.

* * *

Mr. and Mrs. Russell Johnston of Haliburton were guests at the home of Mr. and Mrs. H. M. McCrea of Bobcaygeon on Sunday while Mr. and Mrs. Oliver Higgins were the guests of Mr. and Mrs. Douglas Grant of the same place.

At the Dysart Municipal Telephone System meeting last Monday evening an attempt was made to increase the telephone rates especially on business phones. Now if said increase had been made we can well imagine the moans and groans that would have emitted from those effected. It was well known that this raise was to be considered but only five so called business men were sufficiently interested to turn out to fight the said proposition.

The W.A. of St. George's Anglican Church staged their annual Pancake Supper on Tuesday evening.

This event is held on Shrove Tuesday of every year and has always been held in the Community Hall but this year it was decided to hold the supper in the basement of the new Orange Hall. Nearly 150 persons were served with generous dishes of pancakes and sausages and from all reports the event was the most successful yet held.

Former Minden Resident Dies

Minden—Word has just been received of the passing of John D. Graham at Minnedosa, Manitoba.

The late Mr. Graham, formerly resided at Canning Lake and was the son of the late Francis Graham and brother of the late Henry Graham. He moved to Minnedosa about thirty years ago. His wife predeceased him about a year ago. She was the former Minnie Wilson also of Minden.

Minden and Lochlin Represented in Music Festival

The Tenth Annual Kiwanis Music Festival is being held in Toronto from February 16th to the 28th.

It has attracted entries from 127 Canadian towns, villages and cities. The following schools from Haliburton County are entered in the competitions. Here's wishing them the best of luck.

Minden High School (Ralph Hussey) Class No. 206, Mixed Voice Choir, S.A.B.; Minden High School (Ralph Hussey), Class No. 208, Girls' Chorus, Grades IX and X; Scotch Line School (Ralph Hussey), Class No. 278, Double Trio, One Room Schools; Minden School (Ralph Hussey), Class No. 266, Triple Trio, Girls and or Boys; Lochlin School (Mrs. C. Brown, Class No. 278, Double Trio, One-Room School.

Dysart Telephone System Loses Chairman

The Annual Meeting of the Dysart Municipal Telephone System was held on Monday evening last with barely a quorum in attendance. Following the reading and approval of the minutes of the last Annual Meeting Mr. G. H. Windsor, Treasurer, presented the financial statement.

Those who were fortunate enough to be present to hear the lucid description of the financial picture of our telephone system could not help but think that said system has been extremely well managed and that it was a going and profitable concern.

The financial statement showed that after all obligations had been met and a sizable sum set aside for depreciation, a surplus of $9982.67 remained. The revenue showed an increase of $609.00 per month over the previous year.

Quite some discussion took place over the amount of money owing from the Minden Telephone System and the length of time taken up by the Canadian National Railway telephone in receiving and sending out wires over the line from Haliburton to Minden.

Consideration was then given to a proposal to increase the rates especially on the business phones. After hearing the proposal discussed pro and con without any concrete argument be put forth to increase the rates Mr. J. A. Robertson moved that the rates remain as they were, This motion carried with a large majority.

At this point Mr. E. Hunter who for some years has been Chairman of the Telephone Board informed the meeting that on account of ill health he could not carry on and asked to be relieved of his duties as a member of the board. In the opinion of your reporter this was the only regretable feature of the meeting because anyone who is acquainted with the affairs of our telephones system knows that Ed, during his

Haliburton Lake Development Needs Carpenters

The Haliburton Development Company will commence work on or about April 1st of erecting some 200 cottages in Haliburton Lake. The erection of these cottages will mean a great deal to this area as we learn from Mr. Charlie Dorland who is in charge of this great undertaking that as far as possible local artisans will get first call. On another page of this paper you will see a notice which should be of great interest to every carpenter in this County.

If you are a carpenter and are interested you may secure a sub contract to construct many of these cottages and secure an excellent financial return for your work. At least seven months work is assured and a much longer period if weather conditions are right.

As an increasing number of cottages are to be built every year it looks as though the men who are handy with hammer and saw are assured of a real harvest.

Letters to the Editor

February 11, 1953

Mr. F. A. MacDougall,
Deputy Minister,
Division of Fish & Wild Life
Department of Lands and
Forests of Ontario,
Parliament Building,
Toronto, Ont., Canada.

Dear Sir:

Attached is an editorial that may have already been called to your attention. I am interested in this editorial because my family and I have been spending our vacations in Haliburton Highlands since 1941. In fact, we have thought well enough of the Haliburton Highlands to invest several thousand dollars in a summer home on Lake Kashagawigamog.

I have fished a good many areas in the Province of Ontario, and in my opinion, the Haliburton Highlands is an area that should receive preferred attention because it is probably the last area in Ontario that is within a reasonable distance of the large cities where Nature is at its best, and this includes good fishing.

Over the years I have become acsuainted with a good many of the local people in and around Haliburton. It doesn't appear to me that there is any opportunity for industrial development. What these folks need is as much support as is possible from the Department of Lands and Forests in order to maintain the Haliburton Highlands as a highly desirable vacation land. This includes support from the Division of Fish & Wild Life.

I know accidents happen in any business and to carefully well planned programs. At the same time I believe that the Haliburton situation should be reviewed with the idea of either doing somethign with respect to adequately stocking lakes this year or giving full and complete explanation of why the job cannot be done.

Let me explain that in years gone by I have spent time in the Upper Peninsula of Michigan, the Lower Peninsula of Michigan, on Manitoulin Island, in the Kawartha District and in the Georgian Bay area. There is nothing in any of these areas that compares with the Haliburton Highlands, and I think it is very important that the natural beauty of the land be maintained and that the lakes be adequately stocked for good fishing.

It might be well to survey the situation and see what is involved in planning a small hatchery for the Haliburton Highlands as well as acquainting the general public with the results that can be expected from a programme of this kind.

Ordinarily I am not inclined to write letters voicing an opinion as I have done in this particular letter. However, I am a subscriber to your magazine entitled "Sylva" which I consider to be an unusual and attractive publication. As indicated earlier, I now have my own summer home on Lake Kashagawigamog and, as a result, have a very personal and keen interest in those things affecting the Haliburton Highlands.

I hope that reconsideration can be given the problem of adequately stocking the lakes and streams and further that as much as possible can be done to keep the Highlands the good vacation land it now seems to be.

Cordially yours,
R. C. Beam.

The Quiet Hour

by Stuart C. Wilson

"Enoch walked with God". (Gen. 5:24.)

Walking denotes the fact that the person who is doing it is going someplace. As for Enoch, he walked with God and thus his life accomplished something for time and for eternity. He is one of two men of whom it is written in the scriptures that he "walked with God". He is one of but two men who lived on this earth and went to heaven without passing through the portals of death. And he is the only one, except our blessed Lord, of whom it is written, "He pleased God". The days in which Enoch lived were terribly wicked as the epistle of Jude shows us. He seems to have stood quite alone in his fearless denunciation of the ungodly and in his faithful testimony for God. Very little is recorded of the life of Enoch, but what we do find in the Bible concerning this man suggests and supplies a wonderfully complete biography as he learned the secret of a successful and fruitful life, for he walked with God.

In order for two to walk together there must first of all be a reconcilliation, even as Amos 3:3 tells us, "Can two walk together except they be agreed?" Thus when two walk together must be agreement, sympathy, and harmony. From the nature of the case it can be seen that there was enmity at one time for there is within each of us a feeling of ill will toward God. Thus there had to be a reconcilliation between the two. In order for anyone to walk with God the differences between the two have to be straightened out. Man must be reconciled to God, not God to man. Thus Enoch must have entered into harmony with God. and so must everyone who would seek to walk with Him.

To walk with God implies a correspondency of nature. God is light, and sinful mankind dwells in darkness. No sinner can walk with God for he has nothing in common with Him. Sin separates us from God. The day that Adam sinned he fled from God and hid himself in the trees of the garden. To walk with God the sin question in our lives must be settled, and we must be given a Divine nature fitting us to walk with Him.

In order to walk with God there must be a normal fitness. God does not walk out of the way of holiness. Before God would walk through Israel's camp everything which refiled had to be put away. Before Christ commences His millenial reign all things that offend must be gathered out of His kingdom. A thrice holy God keeps no company with the unclean. In a sentence, then, walking with God means that we cease talking our own way that we abandon the world's way, that we follow the Divine way.

Then too, to walk with God there must be a surrendered will. If we would walk with God there must be a willingness and readiness on our part to do what He would have us do. Said the Lord Jesus, "Take My yoke upon you". He does not force it on anyone, we must simply take it for ourselves.

"Enoch walked with God". What light that one word "walked" casts on the life and character of this man. How much it reveals to us. Like every other descendant of Adam, Enoch was by nature a child of wrath, cut off from the life of God. But a day came in his life when he was reconciled to his Maker. How then was he reconciled? Hebrews 11:5 supplies us the answer, Enoch "had this testimony, that he pleased God". How did he please God? The very next verse tells us — "without faith it is impossible to please God". Faith then was the means of his being brought into fellowship with God. Born into this world a condemned sinner, he is saved by grace through faith. He is born again and thus made a partaker of the Divine nature. He was brought into agreement with the Most High and fitted to have fellowship with the Holy One.

Thus Enoch walked with God. Do you?

MAPLE LAKE

St. Peter's Church held their monthly meeting at the home of Miss Isabel Gibbs on Wednesday with 12 members present. Mrs. Jack Morrison opened the meeting with a hymn, followed by the Lord's Prayer. The secretary's report was then read. Mrs. Arthur Cooper then gave the secretary's report. Mrs. Ed. Barry gave out material for work for the bazaar. The meeting was then closed with prayer. Lunch was served and Mrs. Katie Thompson was presented with a handkerchief from each of the members. She was also the recipient of a birthday cake.

The next meeting will be held at the home of Mrs. Thomas Welch.

Mr. and Mrs. Clarence Redner and family of Linden were home over the week end.

Mrs. T. Redner, Mrs. T. Welch and Mrs. A. Cooper and Shirley, Joan and Linda attended the W.A. at Miss Isabel Gibbs on Wednesday.

Mr. and Mrs. Verle Fader are spending a few days in Toronto.

A number of friends gathered at the home of Mr. and Mrs. Arthur Cooper on Friday night to celebrate Mr. and Mrs. Cooper's 16th wedding anniversary. Those present were Mr. and Mrs. Clarence Redner and family, of Linden, Mr. and Mrs. Herb Payne and Ronnie of Seagrave; Mrs. Ed. Barry; Mrs. Jack Morrison and Perry; Mrs. Stuart Dawson and Harold and Mr. and Mrs. Sam Redner. The evening was spent playing cards, then a delicious lunch was served.

The many friends of Earle Redner are sorry to hear that he broke his leg while working at Hay's Mill on Friday last. We wish him a speedy recovery.

Minden WMS

The Women's Missionary Society held their February meeting at the home of Mrs. A. Moore. Owing to the absence of the President, Mrs. Brintnell, the 2nd vice pres., Mrs. Fleming, presided.

The theme for the program was the Beauty ofHoliness, and the hymn on that subject of No. 201, was used as the call to worship.

After the opening hymn, Mrs. Fleming spoke briefly on the subject Prayer As A Means Of Grace, and the scripture reading was given by Mrs. M. Prentice from Luke 11:1-13, the teaching of Jesus on prayer, short prayers by African Christians, given in their own words were read by several members.

The study on Africa was taken by Mrs. Barron entitled "The Healing Ministry," telling of the wonderful work done by the medical missionaries and the great need for more.

In her closing talk some questions asked by Mrs. Fleming were: With what shall we fight Communism? Why do we lack helpers in our Protestant churches?

Mrs. Rogers read a short poem entitled "Stoney Paths"

The meeting closed with hymn and benediction.

In Memoriam

Adams—In loving memory of a dear grandmother who passed away Feb. 17, 1952.

Dear grandmother you are not forgotten
Though on earth you are no more still
In memory you are with us
As you always were before.

—Ever remembered by Roy, Doris and family.

Cowen—In loving memory of our dear mother, the late Mrs. John Cowen, who departed this life February 14, 1951:

If we had all the world to give,
We'd give it, yes and more,
To hear her voice and see her smile
And greet her at our door.
We like to think when life is done,
Wherever heaven may be
That she'll be standing at the door
Up there to welcome us.

—Lovingly remembered by her daughters and sons.

Monmouth Community Centre Valentine Masquerade

Friday, February 13th didn't prove unlucky for a number of folks who attended the Valentine Masquerade held at the Monmouth Community Centre that night. A very good crowd was in attendance and to one and all the Activities Committee say "Thank You" for your wonderful support.

Ken Andrews of Highland Grove was the lucky winner of the Mantel radio, 1st door prize, and little Barbara Jean Schofield of Wilberforce took home the second prize, a combination sandwich toaster and waffle iron.

In the costume skating event the following won prizes: for best lady, Mrs. Don Finlay; best man, Ken Noble; oldest skater, Mr. Cameron; youngest skater, Gloria Jean Herlihey; best girl, Arabial, Fay Walling; best boy, M. Anderson; comic team, C. Tallman and Blake Barnes; special comic, Bobby Daniels; and special, best dressed, Heather Herlihey.

The figure skating competition was keenly contested and much credit is due the skating instructor and instructress of Haliburton and Wilberforce Skating Clubs respectively. Miss Sharon Parish took the honours for the representation form Haliburton in the more advanced skating event and the two young ladies, Bonnie Johnston and Beverley Hughey, of the Wilberforce Skating Club, won in their respective age groups for first year students.

The broom ball contest, a hilarious event, was won by the Gooderham team, a last minute entry. However good competition was provided by Wilberforce, Haliburton and Tory Hill. E. Warren, Harcourt, was the winner of the bean guessing contest.

Due to the lateness of the hour, very few took advantage of the Mocassin Dance which climaxed an evening of fun and antics.

The Activities' Committee are greatly indebted to the following for their support in the form of donations for prizes: James Mumford, Wilberforce; Wm. Burt, Harcourt; R. Schofield, Wilberforce; Molou Theatre, Haliburton; B. Anderson, Tory Hill; F. Walsh, Essonville; K. Sanderson Snack Bar, Wilberforce; Agnew General Store, Wilberforce and Gooderham; Wilberforce Veneers Ltd.; York Trading Co., Peterborough; Dart Bakery, Haliburton; Smiles'n Chuckles, Kitchener; Simpson-Sears Ltd., Toronto; A. E. Boyce, Tory Hill; Carl V. Hussey Hdwe, Haliburton; and Hussey and Reynolds, Haliburton.

The Monmouth Community Centre Activities' Committee wish to say a special thank you to the Haliburton and Wilberforce Skaing Club girls who gave their time and talent to help make this evening a success and to Rev. and Mrs. Barclay, W. R. Curry, M. Archer, R. Curry and H. Herlihey who acted as judges in the different events.

Haliburton Ladies Attend Huntsville Bonspiel

Two rinks from the Haliburton Ladies' Curling Club travelled to Huntsville last week to take part in the bonspiel being held there. One of the local rinks was skipped by Mrs. Carl Hussey and the other rink was skipped by Mrs. Len Herron.

Mrs. Hussey's rink had sort of a bad day when they lost all three games while Mrs. Len Herron's rink came out with two wins and only one loss for the day.

The ladies were really taken with the Huntsville hospitality and although they didn't bring home any prizes all eight women had a grand time. The women would like to thank Mr. Carl Hussey and Mr. Rea Stinson for taking their cars and bringing them safely home through a snow storm as the highway had not been ploughed from Huntsville to Haliburton.

Keswick Seems To Have Lots Of Time On Their Hands

What gives hockey a bad name?

The answer is easy and simple. It's teams like Keswick who played in out of town games with only a few players and then show up late. This all happened on Monda ynight at the Haliburton Community arena in the final game of the Tri County schedule when the Keswick club drove in with only nine players and had to wait until ten o'clock for their goalie in a game that was marked to start at 8:30 p.m. Why should the Haliburton hockey fans and the Huskies have to put up with this delay. This might also be a lesson to the locals who go out of town for games. We know how we felt on Monday night so let's be on time. We can say this that the Haliburton crew have been on time at all away games played this year.

Peace Conference—
Haliburton County Style

The premises of the Echo will probably be padlocked and we will likely be thrown into the "Bastille" for what we are about to say, but, we are going to let fly anyway.

It is our opinion (which of course doesn't amount to very much) that governments of the three great powers, headed by Joe, Ike and Winnie have made one awful mess of things. We might even go further and state that a lot of other countries not so great, including our own, are tagging along like good little children and doing just what Uncle Joe, Ike and Winnie tell them. They all cry to high heaven that they want peace and while doing so, they are spending all the people's money and about all their resources in the building of armaments to "bump us all off the face of this good old planet".

As they have bungled things up in such a muddle, it's about time some other folks had a go at it to see if they couldn't bring a bit of common sense and tranquility into the world. It's a cinch that they couldn't make a worse job of things than the present big bosses are doing.

Here then, is our formula for peace and goodwill. Let the governments of each big country send a delegation of two, and only two, without secretaries, attaches, or what have you, and give them the powers to negotiate a common sense peaceful settlement of the differences that now confront the world.

They would be ordinary business men, and one item that they would include in their luggage would be fishing tackle. And where would this conference take place? Why —in the HIGHLANDS OF HALIBURTON COUNTY, in the Province of Ontario, Canada.

And why in the Highlands of Haliburton?—Well it's just the best spot on the face of the globe to get together and have a lot of fun. Between time spent in fishing, bathing, loafing or just gazing at the most beautiful scenery this side of Heaven, they could sit around and discuss the ills of the world and prescribe the cure.

People, no matter of what nationality, just can't be nasty and disagreeable in the Highlands with its sunshine its forest clad hills, its 500 lakes and its hospitality.

Please

If you must cough — your throat to ease,
Get out your hankie — will you, please
And cover up your mouth, please do,
So I won't share your cough with you.

If it's a sneeze—then you beware
To cover up your nose with care,
For colds are catching — it is true,
And I may get the germ from you.

I sympathize much with your plight,
To cough and sneeze is no delight,
You carry hankies, I suppose,
To cover up your mouth and nose.

If everyone would have a care
And not spread - germs throughout the air,
We'd all be so much better off
And none would have to sneeze and cough.

—Mavis Noice.

MINDEN ROTARY

(Held over from last week)

Monday evening marked an important event in our calendar, as we held our annual speaking contest for the high school pupils to choose a winner to attend the Citizenship week program provided by the Ottawa club in May.

Judges for the event were Mr. Cecil Irwin, A. Stouffer and Orval Struthers. The contest was keen this year with six contestants in the ring. They were Wm. Crofts who spoke on "Leadership in Athletics" giving a description of the program at an athletic training camp that he was at in the past summer. Joan Little who acquainted us with the workings of the United Nations organization. Joan Gregory who outlined Canada's foreign policy. Barbara Burton named her talk the "Harvest of the Waters" which outlined the fishing industry in general and on Canada's shores in particular. Shirley Dawson who placed before us the history of Ottawa, Canada's capital and Louis Stevens who took for his topic "This Land of Ours" outlining the salient features in the life and development of Canada.

The level of the speeches was high and the judges had a difficult problem but were unanimous in their decision in placing Louis Stevens first and the decision was loudly applauded. In conclusion might I say that Louis was the only Grade X student in the contest as the other were in Grades XI and XII and also it might be remembered that Louis was the County champion for the County in public school speaking when in Grade VIII just two years ago. At that time he went in to the Ontario finals where he made a creditable showing.

CARNARVON

(Held over from last week)

Visitors in Toronto last week were Mr. Frank Thomas, Mr. C. L. Skelding, Mr. and Mrs. J. Gregory, Mrs. Worrall and Mr. Sinc. Russell.

Mr. and Mrs. Ross Harrison and son Tommy and Mr. and Mrs. Gordon Allcorn returned on Friday after a month's holiday in Florida. All reported a lovely time.

The Friendly Neighbors held their meeting at the home of Mrs. Max McKay.

Mr. and Mrs. Cecil Irwin are spending a few days in Toronto on camp business.

Mr. and Mrs. M. B. Windsor left on Sunday morning for their trip to Florida.

Mrs. George Cowan motored to Toronto where she will visit relatives for a few days.

The Community was deeply shocked to hear of the death of Mrs. Harold Minaker of Toronto and formerly of Carnarvon where Mr. Minaker kept store with his brother Ed. Minaker.

Mrs. Minaker was loved and respected by all she met and was a very good neighbor. She leaves her husband and two sons and one sister to mourn her passing and also numerous friends. Mrs. Ed. Minaker and Mr. Jack Minaker motored down to Toronto on Thursday to be with the family and to stay with them for a few weeks.

Bowling News

Bowling enthusiasm is still at its peak at Carnarvon. Some of the teams are really rolling up good scores and are all set for the game with Lindsay on Saturday, February 14th. On this occasion Lindsay Bowling Lanes are bringing two teams to Medley's at Carnarvon where they will compete with a team from Guilford and a team from Carnarvon. This should be a lot of fun and should produce some keen competition. Watch this column next week for the details and results of these contests.

League standings and high scores are as follows:

West Guilford Junior League

Timberkings 29, Combines 27, Tripple High Score, Leon Jones 586; Single High Score Ross Sawyer 264.

West Guilford Senior League

Adrian Cooper's Maple Leafs 53; Bill Smith's Bruins 52; Ross Pritchard's Red Wings 49; Charles Titus' Black Hawks 40.

Maple Lake League

Wildcats 49; Tigers 35; Ladies High Score, Madeline Cooper 224; Men's High Score Bill Nickleson 203.

Halls Lake Team

Holly Ferguson ran up a High Single score, no handicap, of 317.

Forest Ranger School

W. Stinson's Jets 77; V. Goodman's Pepperonis 43; Gordon's Rockets 40, Al Vince Dills 22; Men's High Score, H. Sedgwick 271; Ladies' High Score, C. Ruxton 223.

(Held over from last week)

Lochlin Farm Forum met at the home of Mr. and Mrs. A. Brown to discuss the Use of Farm Credit.

A report from a government loan agency showed that 90 p.c. of the loans made in seven years were for farm machinery while only 3 p.c. were for livestock. The forum feels that this is a very high ratio, but with so many cash crops, farmers unable to get farm labour, it is not too excessive. The machinery required today is very large and expensive, requiring the farmer to obtain assistance in buying it. Livestock is not as expensive and you can count on one or two head, increasing and improving your stock. It was also felt that 90 p.c. of the farmers borrowing from the government could not all be making foolish mistakes in buying equipment instead of stock.

The majority present felt that farm credit was a good thing when wisely used and planned for. Some felt that there is too much worry connected with payments in view of the chances a farmer takes on weather, crops and markets.

The discussion topic next week, What Will the St. Lawrence Seaway Mean To Us. Forum meets at Charles Tyler's.

Mr. Leroy Brown, Agricultural Representative, will conduct a farmer's meeting at the home of Mr. and Mrs. Mervyn Gibert at Lochlin on Monday, Feb. 23rd at 1:30 p. m. This is an excellent opportunity for farmers and their wives to meet Mr. Brown and receive expert advice on their problems. Various topics on the latest methods in farming will be discussed.

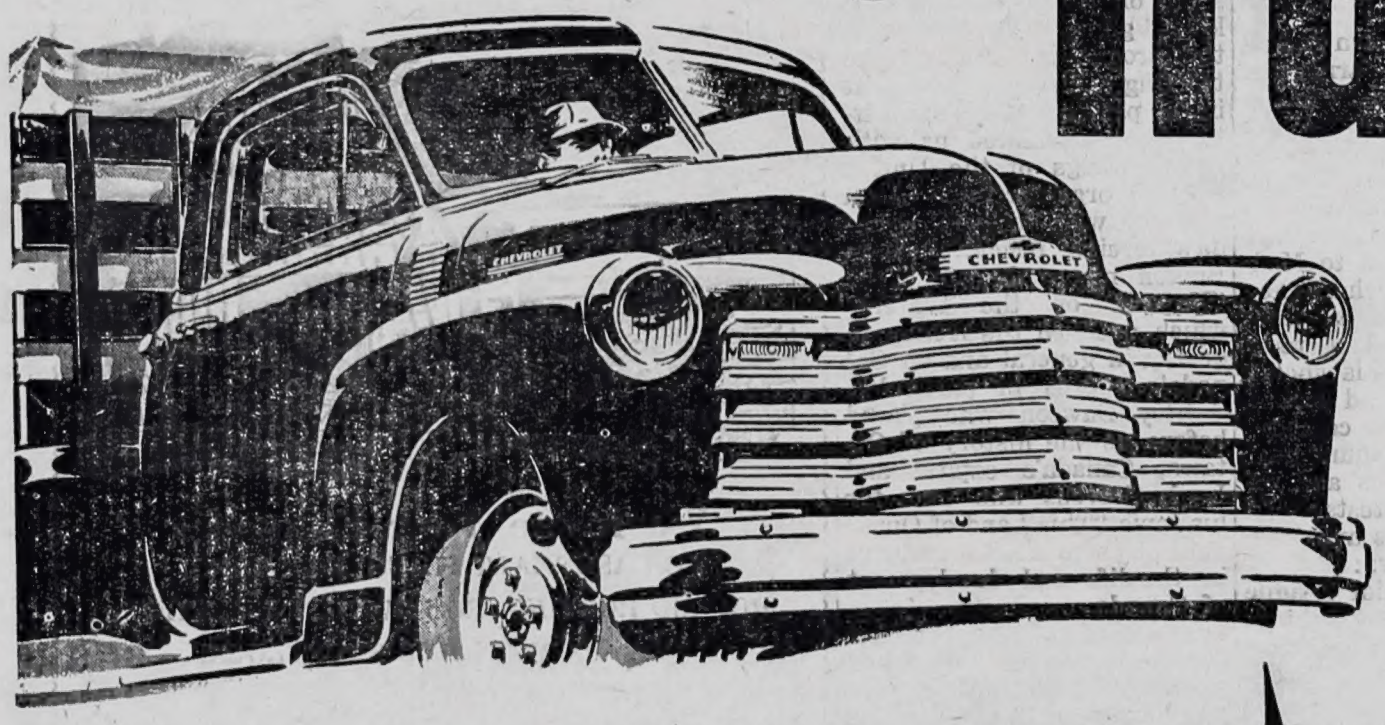
1953 Chevrolet

better than ever

Advance-Design Trucks



For 1953, Chevrolet trucks offer new performance, new stamina, new safety and economy – *and every model is even stronger, sturdier, more durable than those of past years!*

The advanced Loadmaster, Torquemaster and Workmaster engines in all models deliver more power than has ever before been available in Chevrolet trucks. This big, husky, valve-in-head engine with a new high-compression ratio brings you finer performance, faster acceleration, greater hill-climbing ability and substantially greater gasoline mileage.

But that's only the beginning. You get all the proved features and advantages that have made Chevrolet trucks world-famous for their ability to handle the roughest jobs day after day *at the lowest over-all cost to you!*

Yet, even with all these greater advantages, 1953 Chevrolet trucks give you more for your money than any other trucks of comparable capacity and specifications. Drop in at our showroom and talk over your trucking needs. Let us show you how much more you get for your money with 1953 Chevrolet trucks.

A GENERAL MOTORS VALUE

CHEVROLET

4 powerful reasons why they are better than ever

more engine power!

You get all the power you need with outstanding valve-in-head economy from Chevrolet's great new engines for 1953 – the 108 h.p. Loadmaster, the 125 h.p. Torquemaster and the big 130 h.p. Workmaster – all with new high compression ratios.

more staying power!

Now, heavier, stronger, more durable frames increase rigidity, add to ruggedness and stamina of all 1953 Chevrolet trucks. Long famous for their ability to take the roughest jobs day after day, Chevrolet trucks are now brawnier and sturdier than ever.

more braking power!

In 1953, all Chevrolet trucks up to 1400 Series models are equipped both front and rear with big, powerful "Torque-Action" brakes which make full use of truck momentum for greater stopping power. Series 1100, 1500, 1700 and 1800 heavy-duty trucks use extra-large "Torque-Action" brakes in front, "Twin-Action" type in rear. Both assure quick, smooth, safe stops – provide greater stopping power, greater durability than before.

more economy!

The new and greater stamina of 1953 Chevrolet trucks, plus extra gasoline economy with improved valve-in-head engines, reduces hauling costs per ton-mile, brings you greater over-all economy throughout the long life of your trucks.

Home and School Association Hold First Anniv. Meeting

The Founders Night meeting of the Dysart Home and School Association was held in the Haliburton High School on Monday, February 16th at 8:15 p.m., with Haliburton showing 27 present, West Guilford 2, Donald 5 and Eagle Lake 0, Line School 0.

The Rev. L. Schmitt gave the opening prayer and the Home and School creed was read in unison.

A letter was read from the Municipal Council inviting the Home and School to send a delegation to the next Council Meeting to discuss the roads situation referred to in our former resolution to council. Mr. Ken Plourde was appointed to form the required committee.

Letters were also read from the Ontario Federation of Home and Schools concerning the Annual Convention on April 7th and 8th at the Royal York Hotel, Toronto, and also concerning the Leadership Training Camp at Lake Couchiching in June.

Motions were passed to pay the expenses of a delegate to the convention and also a delegate to the Leadership course.

The president referred to the splendid work being done by Mrs. Jack Hunter in forming a committee to organize Scouts and Cubs here, and said that Mrs. Hunter would bring in her report at the next meeting. A motion was passed that our Association be the sponsors for the Scouts and Cubs here. It was pointed out that this would not bar other organizations from contributing to financial support to the Scouts, as the Scout Group Committee would handle their own treasury, separately from the Home and School.

The Question Box from the the previous meeting produced a request that more parents help grades 1, 2 and 3 at the rink on Monday afternoons from 2:45 to 4 p.m.; also that the Coronation Scrap Book contest be arranged in age groups, including all schools.

The Health Convenor, Miss Minott, gave a short talk on the necessity for ample supply of Vitamin C in the diet.

Mrs. Henry stated that the next meeting would be a Birthday Party of our Organization, with no business session, and two short films, a short talk by Mr. Lester Walling, Chairman of the School Board, and a short talk by a member of the High School Board concerning the new High School, followed by a social evening.

A discussion followed on ways to raise some money and Miss Minott volunteered to be chairman of a committee to plan a concert. People were asked to get in touch with her if they could suggest any possible talents for this concert.

Mrs. Henry presented District Chairman, Mrs. A. W. Nelson, who was familiar to all who were at the Organization meeting last March. Mrs Nelson spoke on "Children Are Fun".

Miss Bonnie Lee sang "My Task", a favourite of the founder of Home and School, Mrs. Courtice. She was accompanied on the piano by Mrs. R. Curry.

Miss Joyce Williams introduced the Ontario Vice President Mrs. E. Chambers of Peterborough who spoke on Home and School, Past and Present tracing the growth of the organization from its smallest beginnings by Mrs. Courtice in 1916 in Toronto to its International sphere of the present.

Mrs. Clarence Horsley graciously thanked both speakers.

A silver collection was taken to be sent to Ontario Federation. The programme convener, Mrs. W. Holland explained that Founder's Night was the only time a collection was taken at our meetings, and that this money was sent to Ontario Federation, half to be sent to the Courtice Memorial Library, and half to pay travelling expenses of Federation officers.

The meeting closed with the singing of the National Anthem, and a social time followed over the teacups.

United Church WMS

The February meeting of the United Church W.M.S. met at the home of Miss J. Minott on Friday evening,

Miss Minott conducted the worship program. The Roll was then called and those present answered by reading a gem of thought. As the Secretary, Mrs. G. Windsor, was absent due to her sisters illness, the reading of the minutes was postponed until the March meeting.

Mrs. Rutherford then gave a report of the Presbyterial meeting held in Lindsay. Mrs W. Kellett, Miss Doris Wensley and Mrs. Rutherford were representatives from the Haliburton W.M.S. at this meeting. Dianne Kellett was presented with a book of Bible stories as prize for her poster in the Temperance Contest. Mrs. M. McKnight read a letter which she had received from Mrs. Haggan. a former member, asking for her transference of membership. Further plans were made for the World's Day of Prayer Service to be held in the United Church on Friday, Feb. 20th at 3 p.m. Mrs. W. Kellett read a history of the Promotion of this service throughout the world.

Mrs. Thos. Chambers took charge of the study program assisted by Mrs. Rutherford and Mrs. McKnight. The topic was "Medical Missions in Angola", and was most interesting. Mrs. W. Baker made a brief report on several calls made in January.

The March meeting is to be held at the home of Mrs. Russell Johnston. The members are to answer the Roll Call with an article for a layette. The meeting was closed by repeating the Mizpah Benediction. A social half hour was enjoyed together.

Let's Prevent A Tragedy

It has been brought to the attention of the editor that children have been playing on the ice of the lake close to the open water, where the river flowes into the lake.

Provincial Constable Gordon Langton informs us that on investigation he found tracks leading right to the open water.

This is a very dangerous spot and parents and teachers should warn children to stay far from it.

Dysart Farm Forum

Despite the heavy snowfall on Feb. 16th the neighbours of the district gathered together for another discussion period in the Farm Forum at the home of Cliff Smith.

The subject was the development of the St. Lawrence Waterway and how it would effect the rural areas through out Canada. While the subject was a large and perhaps not so well known in this area there developed some interesting comments. The general opinion was that this development would benefit our local area since cheaper transportation of Western grain should follow. Another point was the increased power facilities erected on the St. Lawrence should make more hydro available for rural expansion at some reduction in price.

The topic for next week will be Workmen's Compensation related to the farmer. A most interesting and beneficial discussion will surely follow.

Lochlin Farm Forum

The members of the Lochlin Farm Forum all felt that such a major step as build. ing the St. Lawrence Seaway could mean nothing but progress for every region in Canada.

The expected industrial expansion because of cheap electricity would give good markets for farm products. Products of forests, farms and the sea from the Maritimes should find a better market in Central Canada as a result of the cheaper transportation. This should help to keep the eastern ports busy.

The hydro development is causing dreams of reduced hydro rates to help lower the cost of living.

Forum meets next week at Sandy Gilberts. There is a meeting for all farmers in the County on Monday, Feb. 23rd at 1:30 p.m. at Mervyn Gilbert's. Mr. Brown from Lindsay will be there to give any information or help asked for.

Jake and the Kid on CBL every Sunday afternoon.

MINDEN ROTARY

One of the features of Rotary is the classification that is each member has to be in some industry or business and one of the requirements of new members if for them to give their classification talk that is tell about their particular line of business and what makes it tick.

Last evening we had Orval Struthers whose subject was banking. Starting with a short history of the Canadian Bank of Commerce from its inception in the unsettled period that preceded confederation, in fact the bank opened its doors a few months before the Act of Confederation came into force on July 1st, 1867; through to the present time when it is now a nation wide organization with connections throughout the world.

Explaining the present day services of the bank, he referred to such things as savings accounts including point accounts and the requirements in connection with the succession duty acts in case of death of one of the parties, current accounts for active business, and in connection with accounts he pointed out the more recent restrictions on stale dated cheques, that is cheques which are by their dating 6 months or more old when presented. These now have to be returned to the maker for renewing.

Other items touched on included safety deposit boxes and safekeeping, dealings in bonds, stocks and foreign exchange. Orval also has quite a collection of old coins and bills which he showed, and in conclusion gave some of the ways by which new members on the staff are inducted by having to wind the combination or tricked into receiving a phoney money parcel.

All members are respectfully requested to be present.

WEST GUILFORD

The death of Mrs. Lydia Paul ,at her home near Centre Lake, marked the passing of still another member of our original old settlers families. Many of the friends and relatives who attended the funeral on Wednesday remember her as Lydia Barnum, born on the farm at the head of Pine Lake. Her father, William Barnum, was one of the first pioneers to West Guilford. She was one of the early pupils at the first Guilford school and with her many sisters and one brother was a prominent figure in the social life of the community. When she married William Paul of Haliburton, they settled for the rest of their lives on the farm near Centre Lake. Here their family grew to include three girls, Della Alice and Laurie and three boys, Harold, Garnet, all married now, and Everett who has spent most of his life helping his parents on the homestead. The family was saddened some ninteen years ago by the death of the father. The writer remembers well the kindly welcome into the pleasant family circle Mrs. Paul extended to her when she came here to teach, a stranger in a strange land, some thirty years ago. Mrs. Paul had not been able to circulate around the neighbor hood much in the last few years but she was always at home to her friends and relatives, especially her many and devoted grandchildren. We shall miss her presence among us, our sympathy goes out to her sorrowing kin.

Traffic was blocked for about an hour Friday morning when Brant Stamp's truck, heavily laden with veneer logs from Hay & Co. slithered around on the slippery surface of the Centre Lake hill and came to a halt exactly crosswise of the road. In the space of twenty minutes there was a line up of cars as far as the bridge impatiently waiting to be on their way. Unfortunately, with a cliff on one side and a deep ditch on the other there was no loophole until the municipality truck, which happened to be on hand at the time, straightened the log truck around and started it on its way.

Mr. and Mrs. Bert Boice are off to St. Petersburg on Saturday. They will travel by car in company with Rex Boice and Edna Ferguson. En route, the party plan to visit friends and relatives in Toronto, Beamsville and Buffalo.

Mr. and Mrs. House of Long Lake, West Guilford, are spending the winter also in St. Petersburg, so the crowd from our town expect to do a bit of deep sea fishing together.

Albert Barry and family have moved from South River to spend the winter at Long Lake, where he is employed in lumbering.

Mr. Andy Sisson has finished his occupation at General Motors and is at home in West Guilford for a short rest.

The Community Guild held a farewell party for the family of Gordon Sawyers who are moving to Haliburton on Wednesday evening. There were more than fifty friends present from both West Guilford and Maple Lake. Mr. Stewart Wilson acted as master of ceremonies and we all enjoyed the new games he introduced into the program. The ladies of the Guild served a buffet supper after which Jimmy Cooper made the presentation, a little gift of appreciation to Mildred for her many services to the neighborhood, for her enthusiastic work in the Guild and as a mark of affection from the members of the Gospel Hall.

The euchre and crokinole party sponsored by the Guild will be on Thursday, Feb. 19. We hope the neighborhood will meet en force and enjoy themselves. Admission is only 25c.

Some visitors in West Guilford this week; Mr. and Mrs. Dick Edwards of Toronto, Mr. and Mrs. Alvin Griffin, Mr. and Mrs. Lew Griffin and Mr. and Mrs. Val Griffin of St. Catharines, Mr. Richard Griffin of Toronto, Mr. and Mrs. Peter Grey of Toronto.

Allan Griffin, wife and two boys were unable to attend the funeral of their grandmother, Mrs. Paul, as they are still recovering from injuries received in a motor accident which occured on the Dorset highway. Neil, their brother, is staying at Allan's home to assist in caring for the family, Moss Griffin who is with the armed forces in Dawson City was also unable to be here.

Most of our teenagers attended the dance at the Golden Slipper put on especially for the Haliburton and Minden High Schools on Friday, Seen in the crowd were Shirley Cooper, Sid Cooper, Audrey Woods, Marie, Margaret and Charles Plourd, Gayla Pritchard, Glenda Horsley and Mavis Sisson.

CARNARVON

Mr. Emery McKay is now a patient in the Lindsay Rest Home where he is recuperating from a broken shoulder. His many friends wish him a speedy recovery.

Young people home for the week end were Craig Windsor of Aurora and Wilf Hewitt and Elaine Minaker of Toronto.

Mr. Ralph Hussey and Clifford Archer motored to Toronto Friday night and took in the Gene Autry personal appearance act while they were there.

Mr. Jim Cowen's many friends are glad to see him home again from the Peterboro hospital where Mr. Cowan had an eye removed aas a result of an accident when he was hit in the eye while cutting trails in the bush 2 weeks before.

Mr .and Mrs. Sinc. Nesbitt and Mr. and Mrs. Max McKay spent Saturday evening with Mr. and Mrs. Fred Harrison of Haliburton.

The Friendly Neighbors held its weekly meeting at the home of Mrs. Alex Hewitt.

The Lindsay Bowling team met the Carnarvon team at Medley's Bowling Alley's on Saturday with Lindsay taking the honours. A return game is being played at Lindsay on Saturday night.

Mr. and Mrs. Tom Archer and Mr. and Mrs. H. Archer were visitors in Guelph this week end.

Mr. and Mrs. H. Bursey of Toronto were week end guests of Mr. and Mrs. Hal Burton.

Mr. Jack Cowan has gone into the Peterborough hospital where he will undergo an operation for the removal of a skin cancer from his eye. We wish him a speedy recovery.

Mrs. Arch McKay, Mrs. Hal. Burton and Mrs. Alex Hewitt went to Toronto on Tuesday to the Kiwanis Festival. Mrs. Hewitt will spend the rest of the week visiting her friends and relatives in the city.

Mrs. Margaret Harrison and Miss Phyllis Windsor left for Toronto on Saturday where they will be the guests of Mrs. C. Miller until Monday when they will board a plane at Malton and fly to Florida to join Mr. and Mrs. M. B. Windsor who have been there for the past week.

Mrs. Ed. Minaker came home from Toronto on Monday where she has been staying for the past week with the family of the late Mrs. H. Minaker.

The school children had quite a Valentine Day at the school on Friday exchanging Valentines and enjoying candy and ice cream. Some of the parents made pans of candy and the children packed it in little bags and sold them at ten cents each in aid of the Junior Red Cross. Over four dollars was made in this venture and the small fry should be encouraged in this kind of thing.

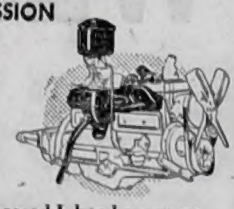
A WEALTH OF WONDERFUL *New* FEATURES

A GENERAL MOTORS VALUE

New DUAL-STREAK STYLING

Lovely to look at . . . instantly recognizable . . . that's the eye-catching appeal of Pontiac for '53. Every single model in each of the five great Pontiac series is a masterpiece of spirited new Dual-Streak styling—every inch a Pontiac and every inch a beauty!

New HIGH COMPRESSION POWER



Compression has been stepped-up in the Standard Pontiac Six to deliver a brilliant 115 h.p. The Special Six with automatic transmission now develops 118 h.p. And Pontiac's great Straight-Eight delivers 118 h.p. for outstanding performance plus unsurpassed L-head economy.

New PONTIAC POWER STEERING

Optional at extra cost on all '53 models equipped with automatic transmission, the amazing new Pontiac Power Steering gives you fingertip control in situations like parking and slow turns. Yet it swings into action *only when it's needed*, and leaves you in *complete control* at all times.

New *POWERGLIDE AUTOMATIC TRANSMISSION OR PONTIAC DUAL-RANGE †HYDRA-MATIC DRIVE

Pontiac offers you your choice of TWO wonderful automatic transmissions! They're the completely new, smoother, more responsive Powerglide, and Pontiac's spectacular Dual-Range Hydra-Matic Drive. Either of them will give you a totally new experience in smooth, effortless driving.

*Optional at extra cost on Pathfinder Deluxe and Laurentian Series.
†Optional at extra cost on Chieftain and Chieftain Deluxe Series.

New PONTIAC *AUTRONIC EYE

This amazing new headlamp control dims and brightens your lights electronically and automatically! It assumes all the work and worry of manually dimming your lights, eliminates the possibility of forgetting, makes night driving safer and easier.

*Optional at extra cost.

New WIDE-HORIZON VISION

Pontiac's new, one-piece curved windshield provides a wide, unobstructed angle of vision, and the new rear windows increase vision through the rear mirror by as much as 39 percent. GM Shade-Lite Tinted Glass, available at extra cost, materially reduces heat and glare.

New PANORAMA VIEW INSTRUMENT PANEL

As practical as it is beautiful, the handsome new Pontiac instrument panel is designed to eliminate distracting highlights and glare. With new Key-Quick starting, one turn of the ignition key starts the car, and the key returns to normal driving position automatically.

New MORE BEAUTIFUL TWO-TONE INTERIORS

From the deft hand of the master stylist come Pontiac's exciting new interiors for '53—dramatically beautiful, color-keyed interiors expertly harmonized with Pontiac's sparkling body colors. Every detail of Pontiac beauty tells you at a glance that here, indeed, is a masterpiece of design. See Pontiac for '53—now!

COUNTY SPORTS

THE LOCAL SPORT'S SCENE

Playoff time is just around the corner and teams in the O.H.A. and the O.R.H.A. are starting to warm up in preparation for the last big drive to the top. The Haliburton Huskies finished their schedule in the Tri-County League on Monday night last when they played host to the Keswick Club. Also on Monday night Coboconk played host to the league leading Sutton Club. There are still a few back games that have to be played and it is hoped that these games will be played very soon. The Minden Monarchs will soon be through and it looks as if the Monarchs will be playing against the Bracebridge Bears and that should be a great series. The Minden Jr. Monarchs are now out of the race when they lost to Keene on Thursday night last. Yes it's play-off time again.

* * * *

According to the Muskoka Herald, Stu Reid, the Captain of the Bracebridge Bears. is dut with a broken nose received in the last game that the Bears played in Minden. The write up also went on to say that most of the Bracebridge players returned home with a few bruises. This Muskoka league is a very rough one at that.

* * * *

According to the latest reports we have heard the Haliburton Huskies will likely go against Sutton and Port Perry in a round robin series. This set up may be changed but that seems to be the rumor up to now. It should all boil down to a real go between these two old rivals, the Haliburton Huskies and the Sutton Greenshirts. This should be a real game.

* * * *

The Haliburton Huskies believe it or not had trouble last week getting an hour or two practice. Surely to goodness the team that's keeping the doors open at the local arena can get an hour or two for practice. If the Huskies don't win in the playoffs the people will likely put up a great howl but if this team can't get more practice time its going to keep them going to get in he playoffs.

* * * *

It has been rumored that the Haliburton Citizens Band and the Minden band will go together to supply the music for the Haliburton Skating Club Carnival at the Haliburton Community Arena this Friday night. And while on the subject of the Carnival we would just like you to put this date in your date book and don't forget to attend. The skating club have a real show lined up so don't forget to attend.

* * * *

Be a good sport and support hockey in Haliburton County. This is a real league now and one that deserves your support.

* * * *

The Haliburton Curling schedule is on the final dash and the schedule will be finished on the 23rd day of February. After this date a few back games will be played and then comes the playoffs. Lou Consky at the present time is leading the league and will be a hard man to put out of that position. Some of the other clubs like Carl Hussey, Jack Robertson, Mervin Robertson, Al. Perrin, Jack Lyons and others have practically clinched a place in the playoffs.

* * * *

The Haliburton Juveniles team sent a line down from Haliburton on Thursday night last to play with the Minden Jr. Monarchs. The boys went all out to help the Minden cause but just couldn't gain that four goal edge back from Keene.

* * * *

According to the Recreation Director Herb Baker final plans are being made for the Annual Hockey School to be held in Haliburton in the near future. Former N.H.L. hockey star Eddie Shore and another former Black Hawk Star Ted Mitchell will be in Haliburton to conduct the school. The school will last all day with a great hockey game scheduled for the evening. We will have more on this later. The hockey schools held in the past have proven to be most successful and we hope that the same will be this year.

* * * *

The **Haliburton High School** have challenged the **Haliburton Huskies** to a hockey game to be played at the local arena in the very near future ..... According to one of the **St. Catharines** papers **Ken Schinkel,** the former Lindsay Junior star is flying with the **Tee-Pees** ..... The **Haliburton Juveniles** are rolling right along in the **Haliburton County Minor Hockey League** ..... When the **Minden Monarchs** defeated the **Bracebridge Bears** in **Minden** last week it was the first loss for the **Bears** in 23 starts ..... There has been some talk of the **Bracebridge** gates falling o at home. It can't be too bad when they had 1200 out the other night to see **Bracebridge** play **Sundridge** ..... Our hats are off to **Mark Vasey** and his **Minden Junior Monarchs** who although losing out to **Keene** in the **O.M.H.A.** put up some very thrilling hockey in **Minden** on Thursday night last. The **Minden** boys fought it right out to the end in hopes of getting those goals back. But that's not the way it turned out and now **Keene** will go on up and meet another club ..... Two rinks from **Haliburton** attended the Ladies **Curling Bonspiel** held in **Huntsville** last **Wednesday.** ..... The skating party held at the **Haliburton Community Arena** last **Wednesday** night was very poorly patronized.

Skating Carnival Friday Night

This Friday night is the night for the Haliburton Figure skating carnival to be held at the Haliburton Community. Final plans are now being laid out and Mr. Price the skating instructor is very busy putting the figure skaters through their final drill.

It is expected that Carl Hussey, the local band leader, will have the Citizens Band out to play numbers at the Carnival. The selections will be marches and a few waltzes. The local figure skating club are going all out to make this the greatest carnival ever held in the village. Tickets are now on sale and may be purchased from Mrs. Glenn Austin or other members of the Club.

Get your tickets early and avoid a last minute rush at the door. So let's all go and keep this date in mind. It's Friday, February 20th, the night for the Annual Haliburton Figure Skating Carnival at the Haliburton Community Arena.

Recreation Convention In Cobourg

The East Central one of the Ontario Recreation Association will hold a one day conference in Cobourg, Ontario, at the Cobourg Memorial Arena on Wednesday afternoon and evening, Feb. 25.

The East Central Zone embraces communities from Oshawa, Lindsay, Peterboro, Haliburton, Bowmanville, Port Hope, Cobourg, Trenton, Belleville, Tweed, Warkworth, Stirling, Lakefield, Claremont and Brechin.

A very interesting afternoon and evening has been planned for this conference as at the afternoon session, Professor Allan Klein, School of Social Work, University of Toronto, who is an expert on Recreation in Ontario, will speak on "Why Recreation!" This will be a discussion of philosophy, attitudes, necessity and problems in Recreation.

In the evening session, a panel will discuss the neglected side of recreation, "Girls and Young Women's Activities". On the panel will be three outstanding persons in the field, Miss L. Lamley, Director of Recreation in St. Catharines, Miss Grace Richer, Program Director Y. W. C.A., Oshawa and Miss C. Whitely from the Y.W.C.A. at Port Hope.

Evaluation of the day's session will be handled by Mr. Jack Eilbeck, District Representative from Community Programmes Branch of the Ontario Department of Education.

Persons interested in Recreation, cannot afford to miss this one day conference on Feb. 25th in Cobourg, and those interested are cordially invited to attend.

For further information on this conference persons interested may contact Bill Smith, Assistant Director of Recreation in Oshawa. This promises to be a red letter day in the recreation field.

Orillia vs. Minden Tonight

There's a hockey game in Minden tonight that you will not want to miss. Yes the ever popular Orillia Senior B Hockey Club will be at the Recreation Centre to take on the Minden Monarchs in an exhibition game that promises to be a thriller. The Orillia club are in the same league with the Stouffville Clippers, Belleville, Kingston, Peterboro and Oshawa. At the start of the regular schedule the Orillia team were in the cellar but after a few games they have started to come and some of their players hitting high gear have put them well up in the ladder in the Senior "B" loop. The Orillia club are packed with great O.H.A. talent and it's a game that you won't want to miss. That's this Thursday night at the Minden Recreation Centre when the Orillia team will meet the Minden Monarchs. Game time is 8:30.

Cooper - Kellett Lead Haliburton to Victory

On Friday night the Haliburton Juveniles coached by Lennie Salvatori travelled out to the Monmouth Community Centre to take on Gooderham Juveniles in a regular scheduled Haliburton Minor Hockey Association contest.

The Haliburton team went all out for this one and Bill Kellett with the hat trick led the Haliburton crew to victory as they trounced the Gooderham team to the tune of 13 to 3. Goal getters for Haliburton were Billy Kellett with three goals, Sid Cooper with two, Lou Hodgson 2, Bill Rinne, Garry Watt, Buzz Hodgson, Stuart Baker, Leon Jones and Ed. Drake with 1 goal appiece were the Haliburton goal-getters.

Sid Cooper and Bill Kellett of the Haliburton crew are improving with every game and these two boys accounted for 5 of the Haliburton 13 goals in the game.

Three of the Haliburton defence men, David Chambers, Ed. Drake and Garry Watt were sent up to play forward for the game to improve their stick handling and skating.

Stuart Baker, Sid Cooper and Buzz Hodgson came out with some great passing that had the Gooderham team baffled all the way. Murray Agnew was the referee for the contest.

Minden Jr. Monarchs Lose to Keene

The Minden Junior Monarchs travelled to Keene on Tuesday night to play the first agem in a two game home and home series, goals to count.

After sixty minutes of hockey the Keene Club came out with an 8 to 4 victory. The Keene Club were a much heavier team than the Minden Jr. Monarchs, but didn't run away with the game by any means.

It all means now that the Jr. Monarchs are behind four goals coming back home to play tonight, Thursday, at the Recreation Centre. Mark Vasey's boys are quite confident that they will get these goals back and go on and win it.

Shalla Pulls Hat Trick But Monarchs Lose

The Minden Monarchs travelled to Parry Sound on Friday night last to take on the Parry Sound club in a regular scheduled O.H.A. Intermediate contest.

The Monarchs who just didn't seem to have it on Friday night had to return home suffering a 8 to 4 defeat. The big guns for the Monarchs were the newly aquired players defenceman Bordon Wheeler and forward Joe Shalla. Shalla playing on a line with the two Vasey brothers Glen and Garry seemed to find himself right at home and drove home three goals to come out of the contest with the hat trick. In the first game Shalla played one could see that he would be a comer when he hit his stride and it looks as though that time has come after his three goal exhibition on Friday night. He will be a great factor to the Monarchs as time goes on. The other goal scored by the Monarchs came off the stick of Bordon Wheeler the new Minden defenceman seems to be hitting his stride. That was Wheeler's first goal since he joined the Minden club and he was very pleased to get it. This man Wheeler is a great defence star and is hard as nails as many of the opposition players can tell you. He is a very solid man on the blue line and when he is out there with Euchre Gordon they go to make up one of the hardest hitting defence combinations in the league.

Cannington Refuses to Play Huskies

Playoffs Start in Haliburton Saturday Night Against Port Perry

Latest reports from O.R.H.A. headquarters tells us that Cannington Flyers refuse to play the Haliburton Huskies in the first round of the O.R.H.A. senior playoffs. No reason was given but we understand that the Cannington team have until next Tuesday to make up their minds.

The present playoff plans show that the four senior teams, Sutton, Haliburton, Cannington and Port Perry are to play each other in a home and home series with the team with the most points at the end going on into the playoffs.

Yes, it's playoff time in Haliburton and the Huskies will start off this Friday nite in Sutton against Sutton. Then this Saturday night the Huskies are in Haliburton to meet the one and only Port Perry. That means that the locals will have to play two games in two nights.

Huskies Defeat Keswick 14 to 6

Pepper Pots Score Three Goals In One Minute

The Haliburton Huskies played the final game in the Tri County hockey league on Monday night when they played host to the last place Keswick hockey club.

A crowd of nearly 300 hockey fans turned out to see what might be termed as the worst game of the season as far as the fans were concerned as Keswick only turned up with nine men for the contest, and some of these players weren't too steady on their skates. But for the Huskies it was a good win and a high score as they came out with a 14 to 6 win.

The game could be termed as a very rough one as thirteen men headed to the penalty box to cool out. Thompson playing defence for the Keswick Club put on a great exhibition and it's a wonder he didn't kill one of the local players. In the last period this man Thompson spent most of the time in the penalty box.

Lieut. Marshall of the Huskies was one of the best players on the ice and he came through with four goals in the game. The Pepper Pot line of Sugar Jim Henry, Boyd Robertson and Mark Schell were the most eiective line for the Huskies with Robertson the only player on the line not coming through with a goal. Time and time again this lone rider would roll in on the Keswick goaltender and pepper him with rubber.

Right from the opening face off the Huskies started to turn the red light on and in the first twenty minutes of play they had flashed the red light on eight times while hte weaker Keswick Club could only manage to score two goals. In that first period the Pepper Pot line estabilshed some kind of a local record when they wrapped home three goals in one minute with Henry getting two of the goals and Mark Schell getting the other. Line mate Boyd Robertson came in for assists on all three of these goals. Marshall, the big gun in the Huskies scoring department went in all alone in the final minutes of of the third period but just couldn't seem to beat the Keswick net minder who made a lovely play on the shot.

In the second period Iles started the scoring off on a long shot and then Haliburton followed through with five more goals and at the end of the second period they led by the score of 14 to 2.

In the third period the Huskies couldn't find the goal while the losing Keswick Club counted 4 goals.

Hightlights on the Game

Some of the local fans were quite peeved about the game but the only people to blame are the team from Keswick.

* * *

Lieut. Marshall playing on the Huskies second line is just beginning to hit his stride.

* * *

The Pepper Pot line played one of their best game of the season on Monday night.

* * *

Baldy Thompson, the bad man on the Keswick club spent eight minutes in the penalty box in the last period in the game. The way he was playing the penalty box was the best spot for him.

* * *

The Huskies had most of things their own way on Monday night and had many opportunities to try some of their favourite plays.

Monarchs Defeat Parry Sound 7 to 4

The Minden Monarchs played host to the Parry Sound Hockey Club on Saturday night at the Minden Recreation Centre when 627 hockey fans turned out to see the Monarchs walk off the ice with a 7 to 4 win. This game was one of the most exciting games of the season and both teams went all out to win. The Monarchs took the lead in the first period on two fast goals that sent them ahead by the score of 2 to 0. From here on in until the final bell the Monarchs were never behind.

The game was played very clean throughout with the exception of a fight that took place between the Monarchs Euchre Gordon and Parry Sound's Orr. These two players were sent to the penalty box for a 5 minute major penalty and plus a 10 minute misconduct penalty.

Goal getters for the Monarchs were Joe Shalla 2, Gary Vasey, Glen Vasey, Geo. Nicholls, Larry Lougheed and Max Richardson with one goal apiece. Shalla seems to be right at home on the line with the two Vaseys and this seems to be a very effective threesome. The Monarchs will meet the Orillia Senior "B" Club in Minden tonight (Thursday).

Minden Jr. Monarchs Bow Out

The Minden Junior Monarchs bowed out of the O.M.H.A. Juvenile Playoffs on Thursday night last at the Minden Recreation Centre when the team from Keene stepped in with a four goal alvantage from the game in Keene to take the Junior Monarchs into camp by the score of 10 to 7. The Junior Monarchs played it hard all the way and fought it out to the end in an effort to bring it out of the bag but they just didn' tseem to have enough to break the game out of the fire. The Junior Monarchs playing with a line from Haliburton seemed to be just as good as the team from Keene but lost out as Keene had much the heavier team on the ice. Billy Kellet playing on the Haliburton line played a great game and he scored two of the Mindens seven goals unassisted. We are sorry to report that Biil had to leave the game after he received a cut lip and lost one of his teeth. We hope that he will soon be back to the hockey wars.

Two more players that really showed up for the Junior Monarchs were Pud Hamilton and Struthers. Both of these boys were going strong both ways. In the 1st period Keene didn't seem to have any more of the play than the boys from Minden but came out with a 4 to 3 edge, and in the second period Keene maintained that edge and were ahead by the score of 6 to 5. But in the third period the Jr. Monarchs threw everything to the wind and every man up in an effort to win but Keene broke through and tallied four markers while the Jr. Monarchs could only muster together 2 counters. Much credit should go to Mark Vasey who worked very hard to get this team together and it was the same Mark Vasey that gave htese young players a chance to play in organized hockey. With men like this how can we help but have great players in the future.

Wilberforce Defeat Timberkings 6-2

The West Guilford Timberkings and the Wilberforce hockey club renewed old friendship on Saturday night last when the Timberkings travelled to Wilberforce to meet the Wilberforce club in the Monmouth Community Centre for an exhibition game. This is the first time that these two clubs have hooked up since the days of the Little N.H.L., and if you were one of the followers of this league you at that time can't help but look back on the many thrilling games that these teams dished up.

In the game on Saturday night the West Guilford club took a six to two defeat from Wilberforce after sixty minutes of thrilling hockey. The game was very close up until the third period. At the end of the second the Wilberforce club led by the score of 2 to 1 and it looked as though Guilford had the staying power to last but they faded badly in the third period and the Wilberforce club wrapped in four goals while all the Timberkings could muster together was a single tally.

Goal getters for the Timberkings were Leslie Schell and Clive Sisson. Schell's goal came when he shot one out of the corner that glanced off some skates and went into the net. The Timberkings were minus a few players for the encounter but hope to be at full strength when the two clubs hook up in a return engagement at the Haliburton Community Arena in the near future.

Sutton still on Top

The last standings we have in the O.R.H.A. Tri-County Hockey League shows the Sutton Greenshirts out in front with the Haliburton Huskies in second place with 17 points. Haliburton has played three more games than the Sutton Club and makes it look very hard for the locals to step in and take over the first spot by the end of the season. As you know the schedule is drawing to a close, but here is the standing up until February 12th.

Carnochan Performs Hat Trick

The Haliburton Huskies were visitors over the Woodville Maroons by a score of 7-5 in one of the season's better games here on Saturday evening last.

In the opening stages of the first period on Saturday evening it looked as though the Huskies were going to run up a sizeable score but once the Maroons got their bearings the large crowd of fans were treated to as fine an exhibition of hockey as we have seen here in quite some time .

Bud Dart started the Huskies along the victory trail when he scored at 2.55 in the first period. Before the session was half over Herb Baker took a pass from Carnochan to make it two to nothing, however at 13.05 Woodville got into the scoring column, Pethick from Cameron being the scoring combination.

Shortly after the second Woodville went ahead in the second when Cameron and McGilvary scored goals less than two minutes apart. Joe Iles put the Huskies back on even footing at the half way mark when he sunk one of his famous blue line shots. Not to be outdone Woodville came right back when McGillvary scored on a pass from Stoddart. Huskies tied it up again when Carnochan who played brilliantly throughout the entire game scored the first of his three goals. In the dying minutes of the frame McInnis for Woodville scored and the period ended with the Maroons one goal up.

The third period was just over a minute old when Carnochan put the Huskies back on even footing when he scored on passes from Iles and Baker. The fans were resigned for the most part to a tie score when Iles got the puck in a scramble around the Woodville net and passed it over to Baker who made no mistake in drilling it into the twine to give the Huskies the winning counter.

Carnochan at 19.39 made it doubly sure when he scored his third goal of the game.
